OVERVIEW

Tree City Preschool of the United Methodist Church of Kent was first organized in the fall of 1967, under the direction of the Rev. Mr. C. E. Burkert, Minister of Education. The preschool program was organized for four-year-old children and expanded in 1984 with a three-year-old program.

Tree City Preschool is a ministry of the church which operates under the supervision and guidance of the Commission on Education, Council on Ministries, and the Administrative Board.

The preschool is licensed by the State of Ohio under the Department of Job and Family Services. The laws and rules are available at the preschool. The preschool's licensing record, including compliance report forms and evaluation forms from the health, building, and fire departments, are available upon review from the Ohio Department of Job and Family Services.

This manual is concerned with the organizational policies and the standards which have been approved for Tree City Preschool by the Administrative Board and those which are required by the State of Ohio.

ENROLLMENT INFORMATION

Tree City Preschool meets in the church school wing of the United Methodist Church of Kent on Tuesdays, Wednesdays, and Thursdays. The three-year-olds/young fours meet in rooms 111 and 113. The four-year-olds/young fives meet in rooms 108 and 110. The classes are from 9:00 A.M. to 11:15 A.M. for the morning schedule and from 12:15 P.M. to 2:30 P.M. for the afternoon classes. An All-Day option is also available from 9:00 to 2:30. A lunch option is available to all students which extends their day by forty-five minutes. The yearly tuition is divided into nine equal payments, of which one payment is the nonrefundable deposit made at the time of registration.

Registration begins in January and continues until all openings are filled. The three-year-old class and UMC members are given two weeks priority for registration into next year's prekindergarten program. All classes are then opened to the public on a first come, first served basis.

POLICIES

Entrance

1. Children may enter the three-year-old program if they are three years old on or before August 1, or by special permission. Children may enter the four-year-old program if they are four years old on or before August 1, or by special permission.
2. All children must be toilet trained before entering school.
3. No children will be permitted to leave the school grounds with a person other than parents or designated drivers. The only exception is with prior written permission. Parents and/or caretakers must be certain that a staff member is aware of each child's arrival and departure at the school. No child shall ever be left alone or unsupervised.
4. Parent Contact Lists are available upon request. Parents not wishing their names and phone numbers included on this list should notify the school immediately. Student names do not appear on the list, only the parent/guardian.
5. Administration of medication will only be permitted if the appropriate paperwork is filled out. This includes the Administration of Medication form and the Plan of Care Form. Forms must be completed and signed by a physician or equivalent. This also includes food supplements and modified diets. Children are NOT permitted to carry their own medications or ointments.
6. Tree City Preschool does not transport children for any reason. This includes field trips and emergencies. Parents are required to transport children for field trips and EMS or parents will be called if emergency transportation is required.
7. Tree City Preschool will not provide child care services to any child who does not have permission from the parents to grant consent for the transportation of the child to the source of emergency treatment. There is a section on the Child Enrollment Form that gives us permission to transport your child should an emergency arise. It must be signed.
8. In January and/or February a formal assessment is conducted on each child. Results of these assessments are shared with the parents only and are not sent to ODJFS. The option of a conference with your child's teacher will be offered following the assessment.
9. Federal statutes and regulations state that children under the age of 21 who are enrolled in Medicaid are entitled to Early and Periodic Screening, Diagnostic and Treatment benefits and that States must cover a broad array of preventative services. More information on this can be found at Medicaid.gov
10. If you are concerned about your Child's Developmental Progress and suspect a potential disability, a free diagnostic screening is available through a process called "Child Find." This screening can help confirm whether your child has a delay or disability. To schedule the

screening, contact your local school system's Director of Special Education Programs or the Office of the Superintendent of Schools.

Withdrawal

1. Parents may withdraw their child at any time as they deem necessary. Two weeks notice is requested, but not required. Tuition is due for the entire month in which the child last attended.
2. Children may be withdrawn by the administrator under the following conditions: (All children withdrawn by the school will have a "Serious Incident Report" filled out and sent to the state.
 - a) Lack of toilet training as determined by three or more toileting accidents within a four week period.
 - b) Continued aggressive or non-compliant behavior which puts the child, the staff, or other pupils at risk, as determined by three or more incidents within a four week period.
 - c) Non-payment of fees.
 - d) Disruptive behavior of a parent or caregiver which interferes with the proper function of the school, as determined by the administrators.

Financial Arrangements

1. The preschool requires tuition payment by the first of the month or the first Tuesday on which school is in session each month.
2. Full tuition is expected of each student regardless of the child's attendance record.
3. No rebates or discounts are available at this time.
4. Early Arrival/Late Departure: Teachers use the time before and after school for planning the day's activities and setting up or closing up for the day. It is an important time and helps the days run smoothly. For this reason the children are to arrive no earlier than 8:45 or 12:00 noon and depart promptly at 11:15 or 2:30 respectively. Tree City has no programs for care for children before or after school hours. Occasional provisions can be arranged for early arrival or late departure on a very limited basis. Please talk with your child's teacher for the cost and possibility of making such arrangements.
5. Overtime charges: There is no charge for the first five minutes after the end of each class. There is a \$5.00 fee for the next ten minute period or any part of that period. There is an additional charge of \$5.00 for every fifteen minute period, or any part of that period, thereafter. Continued late pick-up can be grounds for dismissal. Early arrival charges follow the same guidelines.
6. Tree City Preschool makes a contribution to the church to defray expenses of utilities and maintenance. All of the school's income results from tuition.

7. You may be eligible to claim preschool tuition on your tax forms if you use the preschool as childcare while you work or attend school. Check with your tax preparers for eligibility requirements. Our tax identification number is # 34-0768862.

Insurance and Travel

1. The United Methodist Church and Tree City Preschool provide insurance for all school activities for each child while classes are in session.
2. Parents are responsible for travel to and from school. We strongly recommend the use of car safety restraint systems for all children, as required by law.
3. Parents are responsible for travel to and from all scheduled field trips and for their child's supervision during the event. A person trained in first aid will be available on each field trip and special outing. During field trips away from the center, the school will provide a First Aid box that meets the requirements of Rule 5101:2;12-33 of the State Administrative Code.

Safety and Discipline

1. Tree City Preschool teachers, employees and volunteers will not administer any form of corporal punishment. The primary method of discipline used is discussion and redirection. If applicable, children are offered the opportunity to resolve the conflict between themselves by discussion with teacher mediation. Isolation with teacher supervision will be used for extreme discipline. Continual disruptive behavior will be discussed with the parents and can result in dismissal from the program.
2. Tree City Preschool complies with health, fire and civil defense regulations. The staff is trained to respond correctly in the event of an accident, fire or other emergency. The classrooms are adequately heated, lighted and ventilated. The toilets and washbasins are sanitary and sufficient in number.
3. There will be monthly fire drills, monthly disaster/severe weather drills from March through September and a quarterly lockdown drill. A plan is posted in each classroom which explains action to be taken and staff responsibilities in case of fire, weather, or other emergencies. All calls to Tree City Preschool are forwarded to the Director's cell phone.
4. No aerosol spray cans will be used at the school when the children are present.
5. Teachers are aware of the signs of child abuse and are required by law to report any suspicions to the proper authorities.
6. When an accident or injury occurs, or when any other incident necessitates the emergency transportation of a child, the center will complete an incident report. A copy of the report will be provided to the child's parent/guardian on the day of the incident, as required by the State of

Ohio. Parents/guardians may sign a second copy of the Incident Report which will then be kept in the child's file for a period of two years as required by the Ohio Department of Job and Family Services. If a child is transported for emergency treatment, the child's health and medical records shall accompany the child. The center administrator or staff member shall stay with the child until the parent or guardian assumes responsibility for the child's care. 5101:2-12:34

7. No child will ever be left alone or unsupervised.

8. In compliance with Ohio code 5101: 2 - 12 - 14 ' the center shall provide outdoor play each day in suitable weather for any preschool child in attendance for more than four consecutive daylight hours.' We will use the outdoor playground whenever possible. With the following exceptions:

PHILOSOPHY FOR TREE CITY PRESCHOOL THREE AND YOUNG FOUR YEAR OLDS' CLASS

We believe that learning for the young child should encourage his/her developing social, emotional, cognitive, communicative and physical growth. This learning will be developed in a guided play environment that includes a wide variety of experiences. Within the program developmentally appropriate play, active exploration and movement opportunities will be available to help children observe, investigate, seek and acquire new information about themselves and their world. The program will provide enough regularity in daily routine so as to give each child a feeling of security. The opportunities will encourage the child to demonstrate and practice self-help skills as they are developing their independence.

The individuality and diverse needs of young children are recognized and respected. All children grow and develop at different rates. The teacher's role is that of encourager. Interacting with the children, she/he will seek to nurture the child's social, emotional, intellectual and physical/motor development.

We believe that the school and the home should have close communication so that the child feels secure and happy and grows to his/her best potential.

Tree City Preschool Philosophy for Pre-Kindergarten

It is our belief that children of this age learn best when offered educational experiences which are carefully planned to facilitate the emotional, social, perceptual, conceptual, cognitive and spiritual growth of the child. Our children are encouraged to explore, inquire and discover within a safe, structured environment, under the guidance and supervision of qualified teachers.

Differences in social, physical, cultural and intellectual development are recognized, welcomed and nurtured as positive aspects of the children's school experience.

It is our belief that the value of the total child, as he comes to us, is inestimable. We strive to foster his continued growth through a program both safe and stimulating, and serve to ease his eventual progress to kindergarten.

OBJECTIVES

1. To foster security with designated adults who are not members of the family.
2. To foster excitement and curiosity about learning.
3. To foster successful social interaction.
4. To develop and encourage the use of small and large muscles.
5. To assist in the development of decision-making skills.
6. To foster the child's self-image.
7. To develop self-expression in art, music and creative movement.
8. To develop independence with self-care skills.
9. To develop appropriate behavior concerning actions and their results.
10. To introduce kindergarten skills and readiness activities.

Daily Schedule For 4's and 5's

9:00 (12:15)	Arrival - The children may choose from a selection of table activities including puzzles, coloring, manipulative toys, sandbox and books. Show and tell takes place during this time. Children have one assigned day each week when they may bring one item from home to share with the class.

Activities include sequencing, left to right orientation, number recognition and matching, alphabet recognition and matching, direction following, shapes, cutting, gluing, etc.
